

Introducing Office Depot® Select Cart

Get more choices,
more savings and
more value in less time.

Compare. Select. Save.

Now, you can get recommendations for eco-conscious items, or less expensive Office Depot® Brand products as alternatives to what you've placed in your online shopping cart.

Here's how Select Cart works:

- When you choose an item for purchase, an alternative will be suggested - if one is available.
- A notification banner will appear showing "Greener Alternatives" or "Savings Alternatives."
- You can choose the alternative for each item separately by selecting:
 - 1) "View alternative(s)"
 - 2) "Choose this item"
 - 3) "Replace the checked item"
- The alternative item will replace the previously added item at the same desired quantity.
